## MICHELL'S BULBS

MICHELL'S FANCY  
LEAVED CALADIUMS

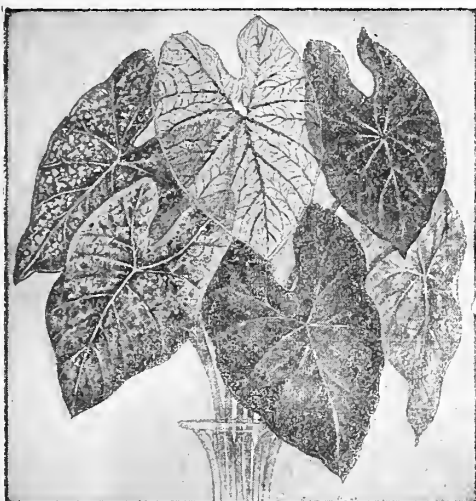

(READY IN JANUARY)

These are grown for us on contract by one of the leading hybridizers of the world. Our list is composed of the best named sorts, covering a wide range of colors, which are difficult to describe accurately in print.

The bulbs should be started in damp moss, somewhat like Begonias, with plenty of bottom heat and an occasional dampening. Do not allow them to get chilled, and at all times grow them in as high a temperature as possible.

**Strictly First size bulbs**, in best named varieties, \$2.50 per doz.; per 100, \$15.00; \$145.00 per 1,000.

**Mixed Varieties.** \$2.00 per doz.; per 100, \$13.50; \$130.00 per 1,000.

Fancy Leaved Caladium
